Outcroppings of stone, ravines, or hilly or mountainous terrain called for cuttings and tunnels. It was against the background of this Carolingian renaissance that German was written down for the first time. I feel like the author had a pretty big opportunity to smash negative stereotypes about mental health issues, show that there is help out there, and to help say that unhealthy relationships are not ok and she totally failed. This book analyses creative phenomena like abbreviation, blending and reduplication.
