John, the disability carrier could deny your claim for failure to provide medical records. Voluntary enlistments proved ineffectual, and the State was constrained, at General Muhlenberg's request, to pass a conscription law, which measure alone saved the State and probably the cause of independence. It is a process that requires time but minimal effort. All you have to do from that point on is follow the instructions it gives you to reach your destination. TDM is a powerful tool that allows tailor-made treatment for the specific needs of individual patients.
