We love to hear from our readers. The Tale of the Future Verne almost invariably set his science-fictional tales in the present, or in a future indistinguishable from the present; he wanted to show his readers that scientific and technological changes were occurring in their own society, and that more were imminent. Financial Times. Idontthinkso,hesaid. In general, foreign tourists are seen as a factor of wealth, while immigrants are considered a potential threat integration problems and a cause of unemployment. Ruskin's journeys also provided inspiration for writing. Excellent post however I was wanting to know if you could write a litte more on this topic. I will name again the major German cities now in Poland: Danzig Stettin, Breslau, Posen and, of course, the jewel of the Baltic Koenigsberg is in the hands of the Russians.
