## **Laus Veneris, and other poems and ballads. [Orig. publ. as Poems and ballads]. Authors ed**

To arrive in a single lifetime demands high speeds approaching lightspeed, especially for target stars such as Tau Ceti, about twelve light years away. However, as our experience and knowledge of the world increases, we admit happily that all we can do in science and theology is to try to find a better and ever more adequate language that may enable us to describe in

some limited way the things that may ultimately be indescribable.
